Claim Number: 110364

Dear Ms. Faulkner:

Please be advised that this law firm, by agreement, has taken over the representation of the above-referenced claimants. Please direct all correspondence and other communication regarding this matter to my attention.

In reviewing the file, it appears that the property damage claim, insofar as the actual damage done to the camper and trailer are concerned, has been resolved. All that remains, therefore, as it relates to what might be generally referred to as the "property damage related claim" would be the Osorios' personal items that were destroyed, irreparably damaged and/or lost as a result of the accident in question.

As you are aware, the Osorios are traveling circus performers and, as would therefore be expected, the vast majority of their furnishings, personal items and other possessions were in the camper and trailer at the time of the accident. Not surprisingly, therefore, many of these items were destroyed, irreparably damaged and/or lost as a result of the accident.

An itemized list of these items, including the approximate value of each item, is set forth below:
